Dear Mr Chairman,

1. A year ago, your predecessor, Chief Petty Officer EDGE, asked me if I would take on the Presidency of the ASWI's Association during my appointment as the Captain HMS VERNON.
2. I wrote at the time that I would, of course, be very honoured to do this and, following your most successful Annual Dinner and Dance on 5 October, may I say that to continue to do so under the new management remains a great privilege - particularly for one who used to belong to a rival cloth!
3. Please do not hesitate to let me know how, in the future, I may be of help to you or your colleagues.

very sincerely,

Keith Sutherland
