

Sonar Section.

H.M.S. VERNON.

9th July 1979.

I should like to express my heartfelt appreciation of the wonderful gesture made at my farewell party last Friday, when I was presented with a Silver Ice Bucket. This was a complete surprise and a gift to treasure.

I was very honoured that so many of my friends and former T.A.S. colleagues should attend and leave me with many happy memories of the T.A.S. branch in general and H.M.S. VERNON in particular.

John Adams.
