Dear Chief Petty Officer Green,

It was very kind of you to ask me to be your guest of honour for your Jubilee Dinner on October 17th. My wife and I enjoyed meeting you and your wife and many old friends amongst the assembled company.

Thank you for giving my wife such a beautiful bouquet of flowers; they were very much appreciated. Please thank your Committee from us both for a splendid evening.

Best wishes for your new ship and best wishes too for the Association.

*Yours sincerely
Wilfred Graham*
