

'U' FACULTY SUNDAY - 22 JULY 1979

1. 'U' Faculty Sunday is a once a term opportunity to get all the 'U' Faculty together on a social basis. It is therefore important that we have a good turn out. We will be having a bar-b-que and the bar will be available in the ASWI Association after church.

2. Events.

1035 Church - 'U' Faculty Church Service. An interdenominational service which is short enough for children not to get too fidgety.

1105 Coffee in the West Verandah Wardroom for those not wishing to take communion (soft drinks for children).

1130 Drinks available at ASWI Association Club at ridiculously cheap prices.

1145 Bar-b-que on the playing field outside clubhouse.

3. Don't make the wife cook lunch - come and have a delicious bar-b-que with us and still be early enough to have a full afternoon doing what you want to. The kids will enjoy themselves and so will you; and the cost will be minimal. Simply £1 per head and half price under 10.

4. We have asked for £50 from Welfare so the cost may well be considerably less. The money will be required by Wed 18 Jul to CPO(Ops) JOINER (Creasy 104).

5. See you there!!

6. We obviously need to know roughly how many people will be attending so please tick on the attached sheet and return as quickly as possible.

7. Non-'U' Faculty most welcome at the bar-b-que but money + names to S1 by Wed 18 Jul please.
